

## Hoover HushTone 13+ 13" Upright Vacuum

Hard Bagged Upright with IntelliBelt

- Perfect for property management, hospitality, healthcare, and food service operations that require a powerful, yet silent vacuum that does not disrupt guests and patients.
- HushTone 2-speed motor runs below 69dB for less disruption and noise.
- Sealed allergen and HEPA filtration system that traps 99.97% of dirt, dust, and pollens to 0.3 microns for significantly improved indoor air quality.
- Washable HEPA filter with HexaGuard technology.
- Intellibelt technology prevents motor and belt damage with belt-jam sensor.
- Ready-to-use out of the box. No-tool maintenance with quick-change, easy access brush roll and belt system that increases productivity and limits downtime.
- 40ft. quick-change serviceable cord reduces downtime and lowers maintenance costs.
- Clean-Drop bag and bypassed air system.
- Lightweight at 18.5 lb. with ergonomic comfort grip handle and 4-level height adjustment.
- UL safety rated, brush roll shutoff, performance check indicator, ScatterGuard Squeegee, and wand attachment.
- Carpet & Rug Institute (CRI) approved for efficient floor care and indoor air quality.
