

# PREPARE FOR GERM SEASON

IMPLEMENT PROPER HAND HYGIENE TO HELP PREVENT THE SPREAD OF GERMS THAT CAN CAUSE ILLNESS

## Help Prevent Illness and Absenteeism

More than  
**80%**  
of all illnesses can be transmitted by hands.<sup>1</sup>

“Keeping hands clean is one of the **best ways** to prevent the spread of infection and illness.”<sup>2</sup>

— Centers for Disease Control and Prevention

GOJO has conducted multiple outcome studies to scientifically prove that a hand hygiene program including GOJO® hand soaps, PURELL® Hand Sanitizer, and state-of-the-art dispensing will reduce illness and absenteeism across a wide range of real world settings.
