

Perfect Crust Insulated Pizza Delivery Bags

Quality, Durability, Workmanship, and Performance

- Poly batting insulation on all 6 sides and folded side flap provides superior heat retention for hot and fresh pizza deliveries
- Made with materials that allow moisture to escape the bag to keep crust crispy and food fresh
- 600 denier heavy duty stain resistant imitation nylon
- Lining 210 PU coated lining — won't crack or peel
- 3 wide velcro strips for secure closure every time
- Specially designed for easy loading and collapses for storage
- Elastic handle on back provides balance when removing pizzas
